

# SAFETY ALERT

**BULLETIN** : SA-24-01 February 15, 2024  
**SYSTEM** : Tank/Rails, Pipes, Lines  
**AFFECTED TANKS** : All AT/SC  
**REASON** : Clarification of safety procedures and practices regarding access to the top of the tank  
**COMPLETION** : WITH IMMEDIATE EFFECT

**Special Safety Note:**

NO pipe, tubing, or conduit on the tank should be used to tie off or used as anchor points as part of a fall arrest system.

Operator is responsible for all fall arrest devices and systems per operator's company policies and procedures.
